Genaira Tyce to Speak on the Biden Administration's NLRB Agenda

December 9, 2021
1:00 PM - 2:00 PM CT

Webinar

Genaira Tyce will speak on a webinar panel titled, "How Will the Increase in Employee Activism and Biden's NLRB Agenda Shape the Workplace?" presented by the National Employment Law Council (NELC). The webinar will discuss the NLRB under the Biden Administration and the expected increase in protected concerted activity and mutual aid, as well as employee's right to strike and/or picket, and how this will shape the workplace.

The NELC is an organization of thought leaders in the labor and employment arena who serve as outside legal counsel, in-house/corporate legal counsel and human resources leaders.
