Akerman Sponsors the CBRE Digital Infrastructure Annual Summit

September 27, 2022 to September 29, 2022

The Phoenician
6000 Camelback Road
Scottsdale, AZ

Akerman is a sponsor of the 2022 Digital Infrastructure Annual Summit hosted by CBRE Data Center Solutions. The Summit will cover market activity and trends from the perspective of data center owners, occupiers and investors. Discussions will be led by thought leaders from information technology and commercial real estate communities, as well as CBRE's professionals.
