Julian is a trial attorney, commercial litigator, and legal counselor with more than 15 years of experience operating in the full gamut of high-stakes legal domains. With a focus on emerging technologies and other dynamic environments, Julian combines well-honed legal judgment with robust risk management frameworks to offer end to end solutions to complex legal issues. Julian works closely with each client and its corporate legal department to deliver real results by identifying and analyzing all relevant legal risks and then developing and executing on a business-objectives driven risk management strategy. Each strategy may include operational modifications, asset and liability modifications, advocacy and relationship-building, and, if necessary, litigation and other dispute resolution mechanisms. Julian is well-equipped to advise and execute on each prong.
