Reuters Features Gail Gottehrer in Autonomous Vehicles Podcast Series

August 29, 2017

Gail Gottehrer was featured in a podcast series by *Reuters'* Legal Executive Institute titled, "The Legal Implications of Autonomous Vehicle Technology with Akerman's Gail Gottehrer." In the two-part podcast, Gottehrer discussed how the rise of driverless technology is transforming the legal industry, including insurance coverage models, regulatory changes, workforce issues, and data privacy and security.
