

Akerman Government Affairs & Public Policy

At a time of growing Federal and State involvement in every aspect of American life and the economy, Akerman has the capabilities to handle the most complex public policy problems. Our bi-partisan team of professionals can provide strategic governmental affairs advice, and has the skilled operatives available to accomplish the most difficult tasks.

Akerman lawyers and public policy advisors operate in Washington, D.C., Florida and New York. Our core strengths are in appropriations and agency funding, education, science and engineering policy, healthcare, tax, environment and natural resources, insurance, transportation and infrastructure, Native American affairs, travel and tourism, and energy. Our services include pursuing legislation, public funding and meaningful regulatory results for our clients.

Practice Highlights

- Federal team in Washington, D.C. includes a former ambassador, former congressional and agency staff members and former agency top executives
- Florida team represents clients before the legislature, executive office, and regulatory bodies and is comprised of existing and former legislators, former legislative aides, and corporate executives
- Experience before New York City and New York state government agencies, authorities, and boards
- Policy team has extensive experience in the fields of insurance, healthcare, transportation, and natural resources
- Regulatory practice advises clients on interactions with regulatory agencies, and obtaining government approvals for projects
