Christy Hawkins to Speak on Privacy Regulatory Developments

September 28, 2021
10:00 AM – 11:00 AM CT

Webinar

Christy Hawkins will speak on a webinar panel presented by PrivacyConnect Chicago to discuss the latest privacy regulatory developments. The panel will focus on CCPA, CPRA, Schrems II, and LGPD, and will also review operational best practices, including:

- complying with global versus local requirements;
- how to prioritize needs versus wants in contract updates; and
- planning for emerging regulations, like CPRA, Colorado and Virginia.
