

Speaking Engagements

Jason Lichtstein to Speak on the Fundamentals of Climate Risk Reporting

October 29, 2021

10:15 AM - 11:00 AM ET

Zoom

Jason Lichtstein will speak on a program entitled the ABCs of Climate Risk Reporting workshop, presented by the Florida Bankers Association. Jason will discuss legal and regulatory developments, which will include a discussion of cross-cutting legal and regulatory developments in climate change and sustainability trends and practices across multiple levels of governments. Attendees will learn about key concepts, frameworks, and players in this quickly evolving area.
