

## Professional Staff

Akerman's financial services, human resources, recruiting, marketing and business development, technology and data, and legal support professionals form the backbone of our national platform. From entry-level support positions to experienced managers, business development strategists, technologists, and finance professionals, our teams throughout the United States enjoy a collegial, supportive, and growth-oriented environment.

With outstanding benefits and a deep commitment to equality and inclusion, Akerman is a destination of choice for candidates seeking sophisticated, cutting-edge work for one of the leading law firms in the United States. Above all, we focus on the wellness of all our people with programs and initiatives that emphasize balance, health, and wellbeing.
