

# Advance Your Career with Akerman

Explore, Grow, Collaborate, and Succeed  
With Akerman

At Akerman, we see every new team member as an investment in our future. As an AmLaw 100 firm recognized by *Financial Times* as among the most innovative law firms in North America, we work with industry leaders across the United States and around the world. Lawyers and professionals at all levels engage in challenging, meaningful, and cutting edge work. We don't believe in silos – you will have access to a wide array of knowledge and experience across multiple disciplines.

Professional Staff

We welcome candidates at all levels who share our values of collaboration, innovation, inclusion, and client service. Our firm is a close-knit team prizing collegiality over hierarchy. And we value and nurture talent, ensuring that our next generation leaders receive highly personalized mentoring and development. Our supportive culture and team-first ethos promotes dynamism, innovation, wellness, and balance.

### In Their Own Words

Our colleagues, who took the next step in developing their careers by moving to Akerman, outline some key reasons their searches led them to our firm.

"I joined Akerman for its strong national platform, while maintaining meaningful local connections and community relationships."

"I joined Akerman based on its culture and reputation as a forward-thinking firm that embraces a diversity of ideas and takes a collaborative approach in providing strategic guidance to our clients."

**Stacey Prince-Troutman**  
Chair, Trusts and Estates Practice, Orlando

“After more than five years with the firm, everything that was represented to me has been true — the firm works together as “one” firm; lawyers and staff get along with one another; people with difficult personalities are not tolerated; and lawyers share credit and work together as a team for the greater good of the client and the firm.”

**E. Paul Quinn**

Co-Chair, M&A and Private Equity Practice  
West Palm Beach and Chicago
