Akerman Hosts Webinar on State Privacy Laws and Federal Privacy Regulations: How to Operationalize Compliance

November 30, 2021

1:00 PM – 2:00 PM ET

Webinar

Akerman will host a webinar titled “State Privacy Laws and Federal Privacy Regulations: How to Operationalize Compliance.” Businesses that operate in multiple jurisdictions or multiple industries can struggle to keep up with the ever expanding patchwork of data privacy and security laws. A thoughtful and strategic approach is needed to comply with the increasingly rigorous data privacy and security requirements that governments and industry regulators are implementing. Multi-disciplinary Data Privacy and Security team members, [Thomas Kearney](#), [Christy Hawkins](#), and [Elizabeth Hodge](#) will have a comprehensive discussion on these data privacy and security concerns.

Discussion topics will include:

- An overview of recent developments in privacy and security laws
- An overview of recent trends in data incidents
- Recent enforcement activity
- Strategies for developing effective data privacy and security compliance programs.
