# Joshua Bernstein, Nathan Horst Co-Author *New York Law Journal* Article on Removal of Real Estate LLC Managers

March 13, 2017

Joshua Bernstein and Nathan Horst co-authored a *New York Law Journal* article titled, “The Removal of Unwanted Managers of Real Estate LLCs,” covering best practices and relevant case law for real estate investors who want to change or remove managers from their limited liability companies. While the LLC structure for real estate investment in places like New York City has grown popular, it entails certain drawbacks, especially when it comes to its management.
