Eric Goldberg to Speak on the Present and Future of Cryptocurrency Regulation

May 19, 2022

9:30 AM ET

In-Person / Live-stream Conference

Eric Goldberg will speak on a panel titled “The Present and Future of Cryptocurrency Regulation: How Fintech is Navigating an Uncertain Landscape of Risk” at the 6th Annual Legal, Regulatory and Compliance Forum, presented by the American Conference Institute (ACI). Eric will cover how cryptocurrencies and faster, more powerful financial technologies are transforming the concept of money and challenging the financial institutions that currently manage it.

Topics of discussion will include:

- CFTC/SEC: Which regulatory body will oversee cryptocurrency? Should Congress divide the responsibility?
- Which digital assets will be considered securities?
- The Federal Reserve, FDIC, and OCC scramble to get up to speed. What have their “policy sprints” revealed and what guidance is being given?
- Can regulation boost stablecoin innovation?
