

Speaking Engagements

Jason Lichtstein to Speak on Climate Change Risk and U.S. Regulatory Developments

April 28, 2022

9:00 AM – 11:00 AM ET

Virtual

Jason Lichtstein will speak on a panel titled “Climate Change: What are the risks, realities, and challenges? What you must know to prepare for this eventuality,” presented by the Marquette University Commercial Banking Program. Experts in this field will impart best practices and critical information to aid attendees in managing this emerging risk. Know the requirements, who is affected, and how this risk will evolve in the future to protect your organization.
