Akerman Sponsors the Annual New York State Affordable Housing Conference

May 18, 2022 to May 19, 2022

New York Marriott Marquis
1535 Broadway
New York, NY 10036

Akerman is a sponsor of the 23rd Annual New York State Affordable Housing Conference, hosted by House New York. This premier affordable housing industry event will take place over two days and will include robust conversations about housing policy, legislation, programming and financing. Partners from Federal, state, and city agencies will present new and timely information about the new housing landscape.

This year's conference will focus on urban and suburban planning practices, green financing and construction, streamlining government partnerships and programs, and most importantly, building developments that work for tenants - families, individuals, seniors - supporting new strategies to build neighborhoods.
