Board Certified by the Florida Bar in Civil Trial Law, Rick Alvarez is a trial lawyer with versatility and experience in cases involving unique issues, troublesome facts, or both, such as catastrophic torts, corporate liability and risk management, complex commercial disputes, computer spying, and the First Amendment. His practice over the past 30 years has required knowledge of a wide array of laws and regulations, including, but certainly not limited to, those governing product design, building construction and security, workplace safety, over-the-road trucking, indemnity, data theft and recovery, and civil rights. He practices in both state and federal courts throughout Florida and has been admitted pro hac vice in cases throughout the United States.

Notable Work

State Jury Trial on Defamation of Social Media Influencer: Successfully tried case of online defamation concerning social media influencer, resulting in jury verdict of \$1.6 million.

Exception from Mandatory Closure During Covid-19 Quarantine: Effectively obtained injunctive relief for a corporation misclassified as an inessential business and forced to close its operations under local Covid-19 ordinances contrary to the “State Emergency Management Act” at Florida Statutes, §§ 252.31-252.60.

Federal Jury Trial on Email Spying: Successfully tried a corporation’s claims of unauthorized access to its electronic mail under the “Stored Communications Act” at 18 U.S.C. § 2701, resulting in a finding of hundreds of statutory violations and a jury verdict of liability.

Final Summary Judgment on Claims Against Religious Organization: Secured final summary judgment, after extensive litigation and discovery, on controversial claims of wrongful death and other torts against a religious organization and its members.
