June 22, 2022

Akerman LLP continues to be recognized on the *National Law Journal's* "NLJ 500" list as one of the largest law firms in the United States, based on the number of lawyers firm-wide.

This year, Akerman also maintained its strong positioning in *The American Lawyer's* 2022 "Am Law 100" list, an annual ranking of the top-grossing law firms. The firm also jumped two spots to 57th on *Law360's* 400 list, which features the largest U.S.-based law firms and international firms with a U.S. component based on domestic attorney headcount.

The NLJ 500 list is determined through a research survey process that analyses the number of equity partners, non-equity partners, and associates at firms across the country. More than 900 law firms were surveyed to determine the 500 largest U.S.-centric firms for the 2022 list.
