” [Clients appreciate] his responsiveness, his ability to pivot and deal with complicated issues on a short timeframe...[Scott is] very smart, and hardworking.

- Dona Cornell, University Of Houston System, For Thomson Reuters Stand-out Lawyers

Serving as Office Managing Partner of Akerman’s Houston office, Scott Marrs is a formidable trial lawyer litigating high profile matters in state and federal courts as well as arbitrations in the United States, South America, the Middle East, and Europe. Scott focuses on legal issues in virtually all aspects of the energy sector, including oil and gas exploration, production, transportation, storage, power, chemical, petrochemical, energy marketing, and well service. He also litigates intellectual property and complex commercial disputes, and has extensive product liability experience working with major automakers in the United States and globally.

Clients appreciate Scott’s strong knowledge of international arbitration and his ability to craft effective legal strategies in venues around the world. Scott serves as an arbitrator with the Hong Kong International Arbitration Centre, International Centre for Dispute Resolution, American Arbitration Association, British Columbia International Commercial Arbitration Centre, International Institute for Conflict Prevention and Resolution, and London Court of International Arbitration. He is a Fellow of the Chartered Institute of Arbitrators (CI Arb).

Courts

Scott serves on the board of directors of the General Counsel Forum and the advisory board for the Institute for Energy Law. Prior to private practice, he held positions in the legal, natural gas, and land departments of a major energy company.

Notable Work

Energy Sector: Represented an energy investment group in an international arbitration involving a contractual dispute over the sale of South American oil fields. Strategy during extensive proceedings led to a \$100 million award for the client.

Commercial Business Litigation/Trade Secrets: Represented global manufacturing company in federal contempt trial defending against allegations made by competing company of trade secret misappropriation and violations of court order – obtained finding of no liability and award of fees against plaintiff.

Professional Liability/Tax Fraud: Represented an executive of a global professional services company sued for tax fraud and breach of fiduciary duties in a high-profile matter. Favorable settlement resulted in dismissal order indicating no wrongful conduct, resulting in client tax licensure and the ability to make a living.

Automotive/Product Liability: Represented an exotic car manufacturer in obtaining a defense verdict of no liability and no defect in jury trial involving product liability, breach of warranty, consumer statute, and fraud claims.

Energy Sector: Represented an international oil field services company in disputes involving Middle Eastern contracts.

Energy Sector: Represented a natural gas pipeline company regarding \$200 million acquisition dispute with an energy company.

Energy Sector: Represented investors in disputes with an exploration company involving foreign oil and gas fields.

Arbitration: Represented an international brokerage house in arbitration of alleged losses by a group of high-net-worth businessmen.

Energy Sector: Represented energy client in disputes involving Russian oil interests.

Energy Sector: Represented an oil and gas company in disputes involving allegedly defective land rigs.

Energy Sector: Represented an exploration & production company in various royalty lawsuits.

Commercial Contracts: Represented a French supplier of industrial gases in federal jury trial involving commercial contract disputes.

Dutch Equipment Manufacturer: Represented a company in resolving numerous international and commercial issues.

Energy Sector: Represented an independent oil and gas producers in a multi-million dollar arbitration against drilling companies in commercial transaction disputes.

Commercial Contracts: Represented an international chemical company in \$30 million commercial contract dispute.

Employment Discrimination: Arbitrated an employee discrimination case among an international brokerage house and manager of the U.S. division.

Product Liability: Represented an Italian manufacturer in various product liability matters in the United States.

Retail: Represented an international pharmacy chain in state jury trial of a hotly-contested defamation and tortious interference case in Houston, Texas.

Energy Sector: Represented an international energy services company in state jury trial against competitors for the misappropriation of trade secrets and contempt of prior court order.

Construction Litigation: Represented a client in state jury trial for a major construction case alleging improper liens and bonds.

Breach of Contract: Represented an international paint manufacturer in a breach of commercial contract state jury trial.

Trade Secrets: Represented a client in a state jury trial of a seminal Texas trade secret case involving the client's former employees. Obtained clarification of Texas law from the appellate court.

Eminent Domain: Represented various condemnors and condemnees in state jury trials and commissioners' hearings involving eminent domain/condemnation.

Educational Institution: Represented a prominent Houston school in state jury trial of a zoning and nuisance case.

Employment Litigation: Represented an international chemical company in state jury trial of a wrongful termination case involving environmental dumping allegations.

Fraud and Breach of Fiduciary Duty: Represented a client in a state jury trial of a fraud and breach of fiduciary duty case in Houston, Texas involving claims between business partners in a technical school. Conducted oral arguments to the state court of appeals.

Arbitration: Arbitrated multimillion dollar intellectual property disputes between an international medical device company and an inventor/surgeon.

Intellectual Property: Retained as intellectual property expert in a copyright and trademark arbitration involving two competing international chair manufacturers.

Patent Litigation: Represented the plaintiff in obtaining the first jury verdict in American jurisprudence of infringement of a foreign patent following a lengthy trial in the Eastern District of Texas (Beaumont).

Copyright and Trade Secrets: Represented NFL coaches in a copyright and trade secret case against coaches who posted confidential NFL playbooks on the Internet.

Trademark and Trade Dress: Represented a client in federal jury trial against industrial valve counterfeiters involving the illegal sourcing of valves from Iraq.

Patent Infringement: Represented a German manufacturer in federal jury trial in Tulsa, Oklahoma. Gave oral arguments on appeal to the Federal Circuit in Washington D.C.
