james.rogers@akerman.com

vCard

A versatile lawyer with extensive experience in complex commercial litigation, trade secrets, restrictive covenants, unfair competition, insurance coverage, accounting and legal professional liability and price redetermination proceedings; James Rogers has tried multiple trials and arbitrations in Texas, Florida, Missouri, California, and internationally on behalf of both plaintiffs and defendants. He represents clients in oil and gas, energy, petrochemical, accounting, insurance, aviation, and products liability disputes. In addition, James provides insightful guidance on matters pertaining to the enforcement of commercial security rights, wrongful foreclosures, construction, and asset acquisition disputes; as well commercial insurance coverage and bad faith disputes.

Clients value James' accessibility, creative approach, and ability to craft solutions for a variety of situations. James believes in creatively solving problems and getting the best result in every situation. He tirelessly advocates for his clients and believes in making time for them whenever, wherever, and however needed.

A dedicated wine enthusiast, James earned a Sommelier Certificate from the Court of Master Sommeliers.

### Notable Work

**Trade Secrets and Restrictive Covenants:** Prevailed in multiple temporary restraining order and temporary injunction proceedings involving trade secret and restrictive covenant claims in multiple industries, including insurance, fiber optics, industrial gases and products, and financial services.

**Commercial Arbitration:** Represented a client in an AAA commercial rules arbitration; obtained a complete exoneration of claims exceeding \$25 million against the officers, directors (managers) and majority shareholders of an LLC alleging breaches of fiduciary duty and contract, and wrongful foreclosure related to the purchase and sale of an electric power plant facility.

Force Majeure Remains Hot Topic for Natural Gas Industry  
May 11, 2023

Akerman Lawyers James Rogers and Jay Zhang Publish Article in *Law360* on Natural Gas Contract Pricing Options  
July 07, 2021

**Kickbacks:** Represented a family investment office in obtaining a \$15 million judgment involving paying kickbacks to, and otherwise aiding and abetting, former agents' breaches of fiduciary duties and fraud in connection with the purchase of millions of dollars in inventory, including obtaining cash payments and the denials of bankruptcy discharges.

**Wrongful Foreclosure:** Represented independent oil and gas companies and commercial vendors in several suits to collect on promissory notes, foreclose on collateral and including fraudulent transfers.

**Class Action Defense:** Successfully resolved four separate class actions involving one of the largest industrial gas companies in North America in multi-state class actions alleging excessive and improper transportation and fuel surcharges.

**Commercial Contracts:** Represented an oil and gas company in a suit on sworn account for gas pipeline survey services. After discovery and a threatened counterclaim, the Plaintiff voluntarily dismissed their suit with no settlement payment, and provided our client commercial concessions and meetings on further survey services.

**Wrongful Termination:** Represented an industrial gas company in a contentious, multi-party wrongful termination case where a compressed gas truck drivers was terminated for testing positive for drug use. After extensive discovery and motion practice, the Plaintiff voluntarily dismissed our client with no settlement payment.

**Legal Malpractice:** Obtained a voluntary dismissal of legal malpractice claims made against a prominent Houston attorney after winning two summary judgments and other favorable rulings prior to trial. The Plaintiff withdrew the claims and dismissed the case with no settlement payment.

**Accounting Malpractice:** Litigated and favorably resolved extensive multi-jurisdiction matter regarding accounting malpractice claims in numerous suits throughout Texas, California, and New York regarding alleged leveraged foreign currency option tax shelters and corporate tax returns and accounting.
