Webinar

Akerman hosted a webinar titled, “Fiduciary Considerations in a Crypto World.” Akerman attorneys [Gabe Marinaro](#) and [Paul Musser](#), and Neal Smith from Cerity Partners discussed the current state of the cryptocurrency market, with an emphasis on retirement plan fiduciary considerations, including:

- Current retirement industry trends (including specific investment funds for cryptocurrency investment)
- DOL guidance and lawsuits
- Regulatory landscape and bankruptcy court rulings on cryptocurrency rights
- Best practices for retirement plan fiduciaries considering retirement plan investment lineup changes, including considerations for a cryptocurrency focused investment
