Akerman Sponsors Breaking Ground's Serving Up Home Tasting Event

May 23, 2023

6:30 PM – 9:30 PM ET

Prince George Ballroom

15 East 27th Street

New York, NY

Akerman's New York Land Use and Zoning group is a sponsor of Breaking Ground's Serving Up Home 2023 Tasting Event. More than 300 tastemakers will gather to sample bespoke cocktails, along with creative bites and top-notch entertainment. Featuring a silent auction with can't-miss experiences, all proceeds from the night benefit Breaking Ground's safe haven on the Bowery, The Andrews, providing safe, immediate transitional housing for those experiencing homelessness on the streets.

Serving Up Home 2023 will raise critical funds to enhance transitional housing that helps people come indoors off the street, providing a safe and supportive environment while they work with each person toward permanent housing.
