Akerman Co-Hosts Webinar on EB-5 Investment Considerations for Investors

June 14, 2023

2:00 PM – 4:00 PM ET

Virtual

Akerman will co-host a webinar with Brevet Capital and JTC Group titled, “Making an EB-5 Investment Choice: Considerations for Investors and Agents in the New Era.” The webinar will discuss: how investors can better evaluate projects; considerations unique to specific countries; and how EB-5 can be used to enhance business and personal opportunities for immigrants while inducing investment to projects making the greatest impact.

Michael Bailkin will provide the welcome remarks followed by Michael Goldberg who will give the keynote address. In addition, Michael Bailkin will moderate and Scot O’Brien will speak on the panel titled, “How Do I Protect My Investment.”

Discussion topics may include:

- Current and potential EB-5 funding frameworks including capital stacks, key players, goals, and issues for developers, issuers, and intermediaries
- Cutting-edge approaches for enhancing the investor risk/reward ratio and increasing security for investor funds
- How the EB-5 Program enhances the economic impact of overall immigration
