James Grice to Moderate Panel on Navigating Data Center Development and Where to Build Next

August 2, 2023
8:00 AM – 5:00 PM CT

Westin Dallas Downtown
1201 Main Street
Dallas, TX

Chair of Akerman's Data Centers and Digital Infrastructure Practice, James W. Grice will moderate a panel titled, "Location, Location, Server Location: Navigating Data Center Development and Where to Build Next" at the 2023 DICE South Conference, presented by Bisnow. Attendees will learn how Southern markets are evolving to meet today's end-user and colocation data center requirements.

Akerman is also a sponsor of the DICE Conference, which is expected to bring together owners, providers, brokers, investors, engineers, lawyers, CEOs, vice president of design and construction, heads of acquisitions, directors of site selection, end-users, and more commercial real estate decision-makers.
