James Grice to Moderate Panel on the Opportunities and Challenges of Emerging Data Center Markets

September 11, 2023

Four Seasons Hotel Austin
98 San Jacinto Boulevard
Austin, TX

Chair of Akerman's Data Centers and Digital Infrastructure Practice, James W. Grice will moderate a panel titled, "Breaking Ground: How do we navigate the opportunities and challenges of emerging data center markets?" at the 2023 Datacloud USA Conference, presented by The Board Group. The 2nd annual Datacloud USA is the most important event for senior leaders in US data infrastructure market: connecting decision makers from across data center, cloud, edge providers, regional and international enterprise.

Attendees can expect unrivalled networking opportunities with major players from across the North American market as well as a ground-breaking conference schedule featuring the most influential players in 2023.
