Akerman Litigation Partner Sowmya Bharathi Elected to Florida Justice Institute Board

July 27, 2023

National law firm Akerman today announced Litigation Practice Group partner Sowmya Bharathi has been elected to the governing board of the Florida Justice Institute (FJI), a nonprofit public interest law firm that uses impact litigation and advocacy to improve the lives of Florida's poor and disenfranchised. FJI is focused on criminal justice reform, homelessness and poverty, disability access, and civil rights.

Bharathi and her fellow board members are responsible for overseeing FJI's mission to improve the lives of disadvantaged residents across the state and for ensuring that it is doing so in an effective and financially sound manner.

Before joining Akerman in 2021, Bharathi served as a federal public defender in the Southern District of Florida for more than 15 years. She earned her J.D. at Chicago-Kent College of Law and a B.A. from the University of Chicago.

Roderick Petrey, FJI's co-founder and board chair said, "We're thrilled to welcome Sowmya to FJI's board. Her accomplishments as an attorney, both in private practice and as a public defender, as well as her service to the legal community, make her uniquely suited to this role. We look forward to her sound guidance for many years to come."
