On October 25, State and Local Tax Partner Lorie Fale will speak at the annual Paul J. Hartman Memorial State and Local Tax Forum at a SALT forum session called “Market-Based Sourcing – Looking Through the Looking Glass.” Session panelists will discuss recent cases applying market-based sourcing to service revenue and share their personal experiences working with states as they navigate the gray areas in sourcing sales to the market.

Fale serves as an advisory board member for the yearly forum, which provides industry, practitioners, and state revenue employees the opportunity to explore significant national developments and trends in state and local taxation.

In addition to the in-person forum, there will be a virtual option available for all program sessions.
