akerman

Akerman Sponsors the Techno Security & Digital Forensics West Coast Conference

September 11, 2023 to September 13, 2023

Pasadena Convention Center
300 E Green Street
Pasadena, CA

Akerman eDiscovery Services is a silver sponsor of the Techno Security & Digital Forensics West Coast Conference. The 3-day conference program has been the most important gathering of private and government attendees dedicated to the digital forensics, computer security, and adjacent industries. With over 75 sessions, the conference is designed to share insight, experience and knowledge from the industry's leading subject matter experts and advisors.

The program will include primary session tracks that cover a variety of relevant topics. Speakers will share the latest case-studies, techniques and tools via hands-on labs, panel discussions and keynotes – all which qualify to earn CPE credits.

Stop by Akerman's table in the Expo Hall Space at the conference.
