Jason Lichtstein to Speak on What the Coming Wave of Electric Vehicles Means for Georgia

September 12, 2023
12:00 PM – 1:00 PM ET

Webinar

Atlanta Office Managing Partner Jason Lichtstein will speak on a webinar titled, “What the Coming Wave of Electric Vehicles Means for Georgia: Effects on Gas Stations & Brownfield Implications” hosted by United Consulting.

The webinar will provide a high-level focus on the intersection of (i) intensive public and private-sector efforts to dramatically increase the number of electric vehicles (EVs) in the U.S. and (ii) the future of gas station sites in the U.S., as the number of traditional gasoline-fueled automobiles are projected to decrease and EVs (and EV charging stations) significantly increase.
