September 26, 2023

National law firm Akerman is pleased to announce that six of its partners are featured among *Lawdragon's* 500 Leading U.S. Corporate Employment Lawyers, which recognizes the nation's top legal talent representing corporate America in 2023. The lawyers featured are described as among the best in defending wage and hour disputes and advising on key matters, from immigration to executive compensation and employee benefits, and handling union and other labor-management relation matters.

*Lawdragon* selected the lawyers from journalistic research, submissions by firms and clients and vetting by peers. *Lawdragon* says the ranking reflects the dominance of a handful of law firms that either specialize in employment or offer profoundly strong employment practices as part of a large global platform.

The Akerman Labor and Employment lawyers ranked by *Lawdragon* are led by Labor and Employment Practice Group Chair Eric A. Gordon. They include:
