Elan Hersh to Speak on What Attorneys Should Know About eDiscovery

November 3, 2023

Webinar

Elan Hersh will speak on a webinar panel titled “What Attorneys Should Know About eDiscovery Today,” presented by Lexeprint Publishing Group. The webinar will cover a variety of topics of interest to attorneys working with eDiscovery, including the various challenges of eDiscovery, the digitization of the workplace, real world examples showing the importance of eDiscovery in litigation, and the role of AI in eDiscovery, among others.

The webinar is organized into the following sections:

- eDiscovery 101
- eDiscovery Obligations
- The Role of AI in eDiscovery
