Akerman is a sponsor of the 50th Annual Awards & Community Impact Competition, presented by the New York Housing Conference (NYHC). The program will feature Morning Policy Symposiums, Community Impact Gallery, Networking Reception and Annual Awards Luncheon.

This year's theme, "Planning for Change" will remind attendees of the critical role affordable housing plays in achieving an equitable and sustainable future. With a focus on the importance of advancing this goal, NYHC is delighted to recognize leaders that are planting the seeds that will bring us closer to the world we envision.

The competition will attract a wide range of submissions, highlighting the collective impact that investment in affordable housing and community development has in communities across New York State.
