November 29, 2023

Top national law firm Akerman has been ranked in *Vault's* 2024 Top 100 Law Firms list, earning recognition as one of the most prestigious law firms in the United States.

The 2024 rankings are based on surveys from more than 23,000 law firm associates who were asked to score firms on a scale of 1 to 10 based on how prestigious it is to work for the firm. Survey respondents are not allowed to rate their own firms and were asked only to rate firms with which they were familiar.

Akerman Chairman and CEO [Scott Meyers](#) said: “We are honored to be recognized by *Vault* as one of the most prestigious law firms in the country. This is not just an accolade; it is a testament to the enduring dedication and unwavering commitment of our entire Akerman family to the highest standards of professional excellence. We are very proud to be a destination law firm for sophisticated clients and outstanding lawyers managing complex matters. And we are grateful for the recognition from the legal community of our accomplishments.”

The announcement comes just weeks after Akerman was recognized by *Law360 Pulse* for the third year
