The Wall Street Journal Quotes Pedro Freyre on U.S.-Cuba Policy Implications

December 25, 2014

Pedro Freyre, chair of Akerman's International Practice, spoke with *The Wall Street Journal* about the easing of U.S.-Cuba policy. Titled, "In Cuban Capital, Change Stirs Fears," the article portrayed the implications behind the opening of relations between the two countries, both from a business and humanitarian perspective. Freyre discussed the gradual opportunities that will arise for companies and individuals in Cuba's newly-opened economy as reform measures are made.
