Richard Pinsky Provides *Law360* with Preview of 2015 Florida Legislation

January 2, 2015

Public Policy Manager Richard Pinsky spoke with *Law360* on the underlying dynamics slated to shape Florida's legislative and regulatory environment this year. Titled, "Florida Legislation and Regulation to Watch in 2015," the article outlined which areas are going to be the center of focus in Florida's post-election climate. Pinsky told *Law360* Florida's water-management regulations will be a defining topic for the 2015 legislative sessions, coupled with developments in entitlement programs that may affect the trajectory of state pension plans.
