vCard

” Martin Dix is incredibly knowledgeable in pharmaceutical law.

- *Chambers USA*

Board Certified by The Florida Bar in Health Law, Martin Dix focuses his practice primarily on pharmacy and drug distribution law. His clients encompass nearly all aspects of the legal drug delivery system, including pharmacies, pharmacists, and pharmacy benefit managers; drug wholesalers; drug and dietary supplement manufacturers; retail medical oxygen dealers; and compressed medical gases wholesalers. He has also represented a variety of other health care providers and entities, such as physician practices, health care clinics, clinical laboratories, assisted living facilities, mental health centers, home health agencies and hospitals.

Clients rely on Martin for counsel on pharmacy and healthcare-related licensing, regulatory, HIPAA, Medicaid and Medicare, contract and reimbursement issues.

With a comprehensive understanding of the state and federal regulatory agencies, Martin represents clients before the Food and Drug Administration (FDA), Drug Enforcement Administration (DEA), Florida Board of Pharmacy, Agency for Health Care Administration, Florida Department of Health, Department of Business and Professional Regulation Division of Drugs, Devices and Cosmetics, Office for Civil Rights, Medicaid, Centers for Medicare and Medicaid Services, Agency for Persons with Disabilities, Florida Disabilities Council, Florida Attorney General's Office, Division of Administrative Hearings, Florida Governor and Cabinet, and other state and federal agencies.

Akerman Hosts Virtual Lunch and Learn on Avoiding Kickbacks in Long-Term Care Settings: Understanding the Legal Landscape and Best Practices
June 26, 2025

Martin is an active member of Akerman's Cannabis Practice, which provides counsel to clients on the complex legal and business issues impacting companies with interests in the medical and adult-use cannabis industries. He has represented medical marijuana dispensaries and treatment providers on a myriad regulatory issues.

Notable Work

Pharmacy Chains: Represented numerous pharmacies, including one national pharmacy chain on disciplinary cases and one 7 state pharmacy chain on regulatory, licensing, professional disciplinary; rulemaking, reimbursement, and contract issues.

Hospital Drug Distribution Systems: Represented six major hospitals and hospital systems on a variety of licensing, healthcare, pharmacy, medical marijuana and drug distribution law issues. Represented a joint effort by two health care systems to amend Florida's drug distribution laws impacting hospitals.

Prescription Drug Wholesalers: Represented prescription drug wholesalers on a variety of issues related to Track and Trace, pill mills, authentication, background checks, purchases from unauthorized sources, license denials, and other licensing, contract, recordkeeping and enforcement issues. Secured a Declaratory Statement in multiple states to recognize the intracompany transfer exemption for prescription drug distributions.

National Dialysis Provider: Represented national dialysis provider in pharmacy and prescription drug distribution regulatory issues, including securing exemption to distribute \$2 million worth of drugs and successful challenge to \$270,000 PBM audit.

National Hospital System: Represented a national hospital system on sterile compounding issues (USP 797) and on adoption of central fill pharmacy rules

Pharmacy Chain: Represented a pharmacy chain on waiver of DEA registration requirements for Florida Medicaid.

Medical Marijuana: Represented a medical marijuana dispensary on regulatory issues.

Pharmacy Chains: Represented numerous pharmacies, including one national pharmacy chain and one 7 state pharmacy chain on regulatory, licensing, professional discipline; rulemaking, reimbursement, and contract issues.

Assist Board of Pharmacy with Change of Ownership Rules: At the Boards request, assist it in amending and modernizing the Change of Ownership and Commencement of Operation Rules.

Acquisition: Represented a pharmacy chain on acquisition of 100 pharmacies in 2 states

Trade Association: Represented a pharmacy trade association on appeal of pharmacy's duty to warn to Florida Supreme Court.

Legislative and Regulatory Counseling: Represented a statewide pharmacy association for over fifteen years on all pharmacy legislative and regulatory issues.

Hospital Systems: Represented five major hospital systems on a variety of licensing, healthcare, pharmacy, and drug distribution law issues.

Medicaid: Represented pharmacies on Medicaid audits.

Multistate Reviews: Represented health care clients on multistate reviews, including physician dispensing, non-resident pharmacy and dme licensing, patient education, orthotic licensing, pharmacy change of ownership requirements, drug pedigree requirements, internet pharmacy, pharmacy record retention, pharmacy electronic record requirements, auto-refill programs, automated dispensing, and physician dispensing.

Regulatory Counseling and Bid Protests: Represented a specialty pharmacy on a variety of pharmacy regulatory issues, including bid protests in Florida and Arizona relating to selection of Hemophilia drug providers.

Compounding Rule: Represented a pharmacy compounding association before the Florida Board of Pharmacy regarding the compounding rule.

Pharmacy Automation Rule: Represented mail order pharmacy on revisions to the pharmacy automation rules.

Antitrust: Represented Florida plaintiffs in nationwide antitrust action against brand name prescription drug companies.

Injectibles: Represented a nationwide compounding pharmacy in negotiations with the Southeast Regional DEA Office on the dispensing of injectables to physicians as patient's agents.

Medical Quality Assurance: Represented a pharmacist in connection with the Department of Health's Medical Quality Assurance statute on license revocation.

HMO: Represented an HMO on contract issues for a third-party prescription drug contract with a PBM.

Contract Negotiation: Represented clients in negotiation of contracts with pharmacy benefit managers, prescription drug wholesalers, pharmacy claims processors, and with pharmacy market share entities.

Mail-Order Veterinary Pharmacy: Represented a national mail-order veterinary pharmacy on pharmacy regulatory issues.

Multistate Reviews: Represented health care clients on multistate reviews, including physician dispensing, non-resident pharmacy and dme licensing, patient education, orthotic licensing, pharmacy change of ownership requirements, drug pedigree requirements, internet pharmacy, pharmacy record retention, pharmacy electronic record requirements, auto-refill programs, automated dispensing, and physician dispensing.

Central Fill Pharmacy: Represented a pharmacy and hospital on central fill pharmacy declaratory statements.

Prescription Drug Wholesalers: Represented prescription drug wholesalers on a variety of issues related to Track and Trace, pill mills, authentication, background checks, purchases from unauthorized sources, license denials, and other Department of Health licensing, contract, and enforcement issues.

Group Purchasing: Represented one of the largest pharmacy group purchasing organizations in the country.

Policies and Procedures: Represented client in preparing policies and procedures for a chain pharmacy warehouse.

Drug Returns: Represented client on amendment of Department of Health rule allowing returns of drugs by affiliated group pharmacies to the chain pharmacy warehouse.

Entity Restructuring: Represented a pharmacy group purchasing organization in Virginia, Maryland, and Washington, D.C. Provided legal advice and assistance on restructuring the entity to operate as a chain pharmacy and as a third-party pharmacy network, including advice on compliance with Department of Justice and Federal Trade Commission Health Care Guidelines.

Group Purchasing Formation: Represented a Pennsylvania pharmacy association in forming a pharmacy group purchasing organization and advice on forming a third party pharmacy network.

Drug Distribution: Represented three hospital systems on drug distribution issues.

Permitting: Represented pharmacy research company on intent to deny of Florida Department of Health permits including: (1) prescription drug manufacturer; (2) over-the-counter drug manufacturer; (3) prescription drug repackager, (4) device manufacturer, and (5) cosmetic manufacturer.

Medical Device Compliance: Represented a medical device distributor on issues relating to FDA's requirements for medical devices.

Denial of Permits: Represented an international medical device manufacturer on the denial of permits for two medical device manufacturing facilities.

Licensing: Represented numerous medical oxygen retailers and compressed gas wholesalers on obtaining licenses from the Florida Department of Health.

Dispensing Issues: Represented numerous physician practices and physician dispensing companies on dispensing practitioner issues.

Medicare Reimbursement: Represented DME dealers, IDTFs, and physicians on Medicare reimbursement and fair hearings.

Mental Health Center: Represented a regional mental health center on Medicaid, pharmacy, licensing, and enforcement issues.

Regional Health Information Network: Represented a regional health information network on structural, Florida patient privacy, and HIPAA issues.

Medicaid Audits: Represented developmental disability providers on Medicaid audits.

Corporate Restructuring License Counsel: Represented national compressed medical gas company licensed as a medical gas manufacturer, wholesaler and prescription medical oxygen dealer on regulatory issues related to corporate restructuring causing a change to the licensed entity. The representation involved coordinating and trouble-shooting change of ownership license applications filed before the state Boards of Pharmacy and state drugs, devices, and cosmetics programs in 5 states involving over

100 licensed locations and approximately 200 licenses and registrations.

Bid Protests: Represented clients in handling bid protests and other procurement issues involving RFPs, ITBs, ITNs, and RFQs. In addition to these bid protests, routinely advise clients on issues relating to state and local government procurement and bidding issues.

Challenging Terms and Conditions: Represented clients in challenging the terms and conditions of the RFP for Jacksonville law enforcement radio and telecommunication services. *Harris Communications, Inc. vs. City of Jacksonville*

Challenging Results: Represented clients in bid protest challenging DBPR's determination that PSI, Inc.'s bid for computer based testing services was non-responsive. *PSI, Inc. vs. DBPR*

Challenging Results: Represented client in challenge to the results of bid protest. *Allegiance Security vs. Hillsborough County*

Defending Award: Represented client in defense of Department of Corrections' award of pharmacy services RFP to Maxor, Inc.

Challenging Finding: Represented client in challenge to finding that Auxis, Inc. was non-responsive. *Auxis, Inc. vs. DMS*

Defending Award: Represented client in defense of award of E-Rate Telephone Services to PaeTec Communications, Inc. *Verizon, Inc. vs. Hillsborough County School District and PaeTec Communications, Inc.*
