James Grice to Moderate Panel on What AI Means for the Evolution of the Global Digital Economy

May 23, 2024

8:45 AM – 9:25 AM ET

The Hyatt Regency Reston
1800 Presidents Street
Reston, Virginia

Chair of Akerman’s Data Centers and Digital Infrastructure Practice, [James W. Grice](#) will moderate a panel titled “Deep Dive Strategy Road Map: A Look at Where The Industry is Headed and What AI Means for the Evolution of the Global Digital Economy” at the annual National Data Center Investment Expo & Conference (DICE), presented by Bisnow. Attendees will gain insights into the latest trends, emerging technologies and strategies that will help position them for the right business opportunities.

Akerman is also a sponsor of the DICE East Conference, which will explore key opportunities, challenges and innovations for the next generation of digital infrastructure held in Northern Virginia.
