# Christy Hawkins to Speak on Data Risk and Resilience

April 25, 2024

2:00 PM CT

Republic Center Building  
325 North Saint Paul Street  
1st Floor  
Dallas, TX

Christy Hawkins will speak on a panel titled “Data Risk & Resilience: Navigating the Nexus Between Privacy, Cybersecurity, AI & Litigation.” The panel will discuss the evolving data risk and regulatory landscape and outlines practical steps to break down silos and build a future-proof data risk management strategy to help mitigate risks, reduce costs and minimize the impact of a breach, regulatory action, or litigation.

### Topics include:

- Key findings from the 2024 ACC CLO Report that explores how CLOs/GCs are shifting their focus to effectively managing emerging data risks
- Update on laws governing governing data and privacy
- A look at how AI is evolving and what that means for organizations
- Tips for developing an effective data risk management strategy to minimize risks, costs and protect the legal and financial interests of your organization
