BTI Ranks Akerman Among Best-Performing Law Firms for Client Service

April 22, 2024

BTI Consulting Group has included Akerman in its 2024 “BTI Client Service A-Team” report, recognizing Akerman as among the top law firms in the United States for client service. An annual survey of more than 300 corporate in-house counsel, the report’s rankings are based on 17 objective factors identified by corporate counsel as driving strong relationships with outside counsel. As stated in the report, “The BTI Client Service A-Team is the only law firm ranking based solely on organic, direct, unprompted feedback from corporate counsel. In-depth interviews with more than 300 corporate counsel reveal Akerman is among a small group of firms outperforming on client service.”

Akerman Chairman and CEO Scott Meyers attributes the firm’s outstanding results to its culture of collaboration, saying, “Akerman’s continuing inclusion on the Client Service A-Team demonstrates the power and importance of our collaborative, high-trust culture. Our focus on working together to delight our clients is woven into the fabric of our firm, transcending practices and offices, and informing and guiding all of us every day. It is our shared commitment to treating our clients, colleagues, and communities with integrity, respect, and fairness that allows us to achieve the highest levels of professional excellence and client satisfaction.”
