Daniel Miktus to Speak on Payment and Performance Surety Bonds in Construction Projects

May 28, 2024

1:00 PM – 2:30 PM ET

Webinar

Daniel Miktus will speak on a Strafford webinar panel titled “Payment and Performance Surety Bonds in Construction Projects: Perspectives of Owners, Contractors, and Sureties.” The webinar will provide construction counsel with a review of payment and performance bond coverage issues. The panel will outline key aspects of bond disputes and discuss best practices to maximize recovery and protect interests in disputes.

The panel will review other vital questions, including:

- What protections do payment and performance bonds provide various stakeholders in the project?
- What are some of the more common pitfalls in making claims against surety bonds?
- What lessons can counsel learn from recent case law to preserve and protect bond claim rights?
