Jeremy Williams to Speak on What Insurers Need to Know About PFAS

June 12, 2024

10:00 AM – 10:45 AM ET

New York City Bar Association

42 West 44th Street

New York, NY

Jeremy Williams will speak on a panel titled “Are Those My (Insured’s) PFAS and What Are We Required To Do About It?” at the Environmental Risk and PFAS Litigation Conference presented by Perrin Conferences.

The panel will discuss:

- Approaches to identifying and distinguishing sources of PFAS
- When to look for PFAS, what to do when you find it (and what if it isn’t mine?)
- Subrogation issues related to PFAS claims
- Coverage and claims considerations related to PFAS claims
- Potential for site reopeners based on PFAS discovery
- How developments (legal, coverage, regulatory, scientific) are affecting how/where we are looking for PFAS and what will be required when it is found
