Genaira Tyce to Speak on Strikes in the Workplace

June 12, 2024

1:00 PM ET

Webinar

Genaira Tyce will speak on a *Bloomberg Law* webinar titled “Strikes in the Workplace: Taking Stock of Unions’ New Picketing Power.” The webinar gives lawyers on both sides of the labor-management relationship the facts, insights, and context they need to navigate this resurgence in union unrest. Drawing from more than 30 years of *Bloomberg Law’s* labor data, speakers will identify the most crucial patterns, explain the factors currently in play, and provide insights into what lies ahead.

Learning Objectives:

- See the statistical trends that have brought union strike activity to this historically high level
- Understand the legal and regulatory developments shaping the current labor-management relationship
- Develop a deep understanding of the interplay between data, law, and practice
