More than 20,000 law firm associates participated in surveys for the 2025 rankings, rating firms on a scale of 1 to 10 according to how prestigious it is to work for the firm. Survey respondents are not allowed to rate their own firms.

“We take great pride in again ranking among *Vault's* list of the most prestigious law firms in the United States. This recognition is a reflection of all that makes Akerman a firm of choice for outstanding legal professionals, including the sophisticated clients we serve, the complex matters we undertake, the successful outcomes we attain, and the collaborative, high-trust culture we embrace,” according to Scott Meyers, the firm’s Chairman and Chief Executive Officer. “To deliver the exceptional level of service our clients expect, we will continue to attract and retain the highest quality talent. Towards that end, we are thrilled that so many outstanding lawyers from across the industry view Akerman as a destination firm.”

*Vault's* ranking comes just weeks after Akerman was again named among the best firms in the United States by *Chambers USA* and *The Legal 500*.
