James Grice to Moderate Panel on Overcoming Challenges Amidst the Macroeconomic Environment

September 18, 2024
9:30 AM – 11:10 AM CT

Omni Barton Creek Resort & Spa
8212 Barton Club Drive
Austin, TX

Chair of Akerman's Data Centers and Digital Infrastructure Practice, James W. Grice will moderate a panel titled “Overcoming Challenges Amidst the Macroeconomic Environment” at the 3rd annual Datacloud USA Conference. In this session, industry behemoths will discuss the current trends and challenges in the M&A market, and the strategies for success in meeting increasing demand.

Akerman is also a sponsor of Datacloud USA, which will provide unrivalled networking opportunities with major players from across the North American market as well as a thought-provoking conference programme featuring some of the most influential players in the data center industry.
