The Wall Street Journal Quotes Richard Milstein on Landmark Same-Sex Marriage Ruling

January 1, 2015

National media, including *The Wall Street Journal*, *MSN* and *Miami Herald*, among others, quoted [Richard Milstein](#) on the landmark federal court decision that allows same-sex marriage in Florida. Clarifying a previous order, U.S. District Judge Robert L. Hinkle ruled that all Florida clerks are required by the U.S. Constitution to issue marriage licenses to any couple. Milstein explained that now all marriages inside and outside the state of Florida will be recognized, and that gay and lesbian couples will be granted spousal rights at both the federal and state level, such as Social Security benefits.
