Akerman Sponsors FAHP Annual Conference

December 2, 2024 to December 4, 2024

JW Marriott Bonnet Creek
14900 Chelonia Parkway
Orlando, FL

Akerman is a sponsor of the 2024 Connect Florida Association of Health Plans (FAHP) Annual Conference. This year's conference will bring together a distinguished group of industry professionals, community partners, elected officials and regulators, as well as exciting keynote speakers, to engage and share information and insight on ways to improve health outcomes and overall well-being.

Beyond this, in 2024, FAHP will highlight how, collectively, the industry is redoubling its efforts to demonstrate the value managed care delivers to the state of Florida and health plan members. From showcasing real-life stories told by Floridians about the quality care they receive from their health plans to highlighting enlightening data on the value proposition health plans deliver to the state, FAHP is committed to elevating the managed care industry through innovative storytelling.
