BTI Names Akerman Among Most Recommended Law Firms by Top Legal Decision Makers Worldwide

August 17, 2017

Akerman is once again among the most recommended law firms by general counsel and other top legal decision makers worldwide. BTI Consulting Group recognized Akerman as one of 13 U.S. law firms to appear on the “Most Recommended Law Firms” list for two consecutive years. Its 2017 list is based on 324 in-depth interviews with in-house counsel at organizations with \$1 billion or more in annual revenues and spanning 15 sectors, including banking, insurance, energy, healthcare and pharmaceuticals. BTI also recently named Akerman among the top 15 law firms with the largest number of superior client relationships in the healthcare sector. News of the firm’s recognition appeared in *Healthcare Industry Today*, among others.
