# Akerman Advises Fourshore Partners on Acquisition of Logistics Company

September 23, 2024

Akerman advised private equity firm Fourshore Partners and its portfolio company, Buske Logistics, in the acquisition of Hydra Warehouse and Transportation.

Fourshore Partners is a Miami-based private equity firm that focuses on lower middle market buyouts in the United States and the Caribbean. Fourshore targets companies generating between \$2 million and \$15 million in EBITDA with enterprise values between \$10 million and \$75 million.

Buske Logistics is a 101-year-old asset-light contract warehousing company with a focus on food and beverage, and automotive industries. Hydra Warehouse and Transportation is an integrated logistics company providing warehousing and transportation services to the bourbon and food processing industries in Kentucky and southern Indiana. The acquisition also adds to Buske's holdings Hydra's five warehouses totaling close to 1.5 million square feet serving several global companies in the bourbon industry.

Earlier this year, Akerman represented Fourshore Partners in its acquisition of Power Funding, a premier factoring company focused on the oil, gas, and transportation industries.
