6:00 PM – 10:00 PM ET

Bakehouse Art Complex
561 Northwest 32nd Street
Miami, Florida

Akerman is a sponsor of the fourth annual Bakehouse Fundraiser, presented by Bakehouse Art Complex. This year's event will honor Craig Robins, collector and philanthropist, who has championed the arts in Miami for over 40 years and is recognized as a visionary real estate developer, whose projects have utilized design and creativity to shape and revitalize neighborhoods.

The Bakehouse Art Complex is a non-profit arts organization that stands at the heart of South Florida's bustling arts scene, where it has been a beacon of creativity and collaboration for nearly four decades. Its mission is to address the need for affordable living, live-work, and workspaces for artists in Miami's urban core.
