# Robert Slavkin to Speak on Healthcare Noncompetes and No Poach Agreements and Navigating Evolving Federal Regulations and Rapidly Changing State Laws

January 15, 2025

1:00 PM – 2:30 PM ET

Webinar

Akerman's Healthcare Practice Chair Robert Slavkin will speak on a Strafford webinar titled, "Healthcare Noncompete and No-Poach Agreements: Navigating Evolving Federal Regulations and Rapidly Changing State Laws." The webinar will guide healthcare counsel on noncompete agreements and other restrictive covenants in healthcare.

Panelists will provide an update on current federal regulation and evolving state laws for the use of noncompete and no-poach agreements in the healthcare industry taking into account the recent *Loper Bright* decision and new presidential administration. They will also examine the state of the DOJ's no-poach prosecutions and the potential for private litigation.

The panel will also offer best practices for navigating noncompete and no-poach agreements in healthcare in a rapidly evolving regulatory environment.
