Betsy Hodge Talks Cyberattacks with the *Healthcare Info Security* Podcast

January 3, 2025

On the latest episode of the *Healthcare Info Security* podcast, Akerman Healthcare Partner Betsy Hodge discusses contingency planning for cyberattacks that disrupt the healthcare supply chain. Hodge shares her thoughts on security audits, regulatory compliance, and other emerging issues.

“This past year has driven home that it’s important that you have a good understanding of your supply chain,” Hodge tells the podcast. “Make sure you are vetting, especially the mission-critical vendors, and then also developing contingency plans.”
