# Lex Mundi Profiles Megan Costa DeLeon

January 16, 2025

Lex Mundi, the world's leading network of independent law firms, profiles Litigation Partner Megan Costa DeLeon. The article highlights DeLeon's role on the firm's Board of Directors and as one of only four U.S.-based members of the international Board of Directors of Lex Mundi. DeLeon also discusses how Akerman's support of entrepreneurial attorneys attracts talent, including herself.

"A great attribute of Akerman is its entrepreneurial culture. We grow with our clients, we expand our capacity to serve them, and we know our clients' businesses like our own," DeLeon told Lex Mundi. "At the end of the day, it's a privilege to be a trusted resource and to support our clients in whatever way we can. Law is a people business and our goal is to help people solve problems, grow their businesses, and be successful."
